

Diane Blazy

Instant Creativity.

There's no end
to what you can do.

Learn exciting, profitable and creative imaging techniques from a pro.

Attend the Polaroid Instant Creativity Workshop and you'll leave this all-day, six-hour workshop with a fresh set of creative tools based on Polaroid instant films, as well as simple mechanical and digital manipulation techniques. Diane Blazy, a certified Polaroid Instant Creativity Consultant, will demonstrate these exciting processes and guide you through hands-on practice sessions.

Instant Creativity techniques you'll learn:

- Image transfer
- Emulsion lift
- Image manipulation (SX-70/Time Zero)
- Digital manipulation of original instant film images

This workshop will give your portfolio a fresh, new look
and change your professional art style forever. Don't miss it!
