

Introducing the PP46d Digital Photo Printer from Polaroid

Create high-quality prints directly from your digital camera's memory card – whenever you need them.

Sleek, compact design fits – and goes – anywhere.

LCD display panel lets you preview images – and view printer menu options.

Stand Alone Capability to print just from your memory card, plus the flexibility to print from a computer.

Printing options to suit your needs – including five multiple formats and five split-print formats!

Buy the PP46d Digital Photo Printer and get a FREE pack of PM46d Media shipped with your order.

Offer valid for orders shipped 9/1/04 - 12/31/04
